AUTOMATED VERTICAL SHUTTLE STORAGE UNIT

Charlotte Area Transit System's Rail Division is requesting bids for a new automated vertical storage unit for the South Blvd Light Rail Facility. This will include the replacement and removal the existing unit, which is approximately 25 years old. This bid submission shall include design, delivery and installation.

The scope of this Invitation to Bid (ITB) is to establish a contract for the purchase, delivery, and other inherently related activities of the automated vertical shuttle storage unit and in compliance with the specifications and terms and conditions set forth in this ITB.
