

Charlotte Water / General Services

Consulting & Program Management Services for Advanced Metering Infrastructure

Charlotte Water (CLTWater) is seeking qualified Company or Companies in Advanced Metering Infrastructure (AMI) to provide AMI Solution Consulting and Program Management services. The Solution Consultant shall design an AMI Solution and provide reports, contracts, and other documentation to implement an AMI Solution. The Program Manager will ensure that all contractors/vendors adhere to contractual requirements and perform quality work. The Program Manager shall also validate that all AMI project objectives identified in the AMI-Assessment Report are achieved at the end of the project for CLTWater.
