Canceled COVID Handsfree Plumbing Fixtures

Using an existing contract to perform work. As a part of COVID-19 prevention the City of Charlotte General Services has started an initiative to replace all city bathroom fixtures with hands free devices to reduce the amount of contact required when using facilities. This project will replace all sink faucets, toilet flush mechanisms, and add bottle fillers at the bathrooms located in South Tryon Bus Facility, North Davidson Bus Facility, Charlotte Transportation Center, North Rail yard and South Boulevard Light Rail Facility.
