Curbside Residential Recycling Services

The City requires a Company to work in conjunction with Solid Waste Services (SWS) to perform Curbside Residential Recycling Collection Services. The Company shall collect all Recyclables generated by customers in the City-provided Recyclables Container and shall be in accordance with Chapter l 0, Article II of the Charlotte Municipal Code. The Company shall perform the work in a competent, qualified, diligent, and efficient manner. The City uses a Single-Stream Recycling collection system, consisting of fibrous and non- fibrous materials. The Company will not be required to sort any Recyclables but may have to hand load overflow cardboard left beside the Recyclable Container. It is the purpose of these specifications to provide a framework for accomplishing the tasks that result in maintaining quality, safe, and sanitary Residential Recycling Collection Services for the residents of the City of Charlotte. The intent of the Services is to collect all Recyclables properly placed out for collection within the City limits.
