Lock and Core Replacement at Existing Facilities

Obtain a contract to purchase locks and cores to replace the outdated locks and cores on CATS existing facilities on the south corridor of the Blue Line . The locks and cores will be purchased and pinned by a certified locksmith and will be consistent with what CATS currently uses, which is, Schlage Everest "T" keyway, 6 pin large format, removable cores, and some non-removable cores. The cores would all be pin according to CATS biting information. The locks and cores will be installed on CATS facilities by CATS Security staff. PSR- 1250
