Charlotte Storm Water Services / Construction

McAlpine SR2 and SR3 Stream Repairs - CANCELLED

The purpose of the project is to repair approximately 700 linear feet of stream restoration between 2 different tributaries. Failing structure will be replaced or repaired such that they function as originally intended. Repairs will be performed with minimal disturbance to buffer vegetation and vegetation of appropriate size will be re-established after repairs are completed. Repairs will include but not limited to, removing and resetting boulders and logs for in-stream structures and adding or repairing constructed riffles. This will not be bid
