

[Charlotte Fire Department / Commodities & Goods](#)

Medical Gloves

Medical gloves are a critical supply item for the Charlotte Fire Department and are carried on all fire trucks to be used when treating individuals with medical emergencies. The Fire Department responds to approximately 60,000 medical calls per year with the majority of calls involving bodily fluids. Therefore, it is critical from a risk management standpoint that firefighters wear an approved glove that provides a high degree of protection. The scope of this Request for Quote (RFQ) is to establish a contract for the purchase and delivery of medical gloves within seven (7) calendar days from the placement of order. This solicitation will be distributed to the City's Small Business Enterprise (SBE) confirmed vendor list for Medical Gloves.

Details

Posting Number	2021-Q3(Jul-Sep)-CFD-3340
