

#### Aviation / Architectural / Engineering Services

## **On-Call Civil Engineering Consultant**

Charlotte Douglas International Airport (CLT) is seeking statements of qualifications from professional engineering firms to provide task order engineering services. Services are expected to cover a range of smaller studies, conceptual designs, investigations, coordination processes and technical support of a limited nature. This Engineering and Construction Task Order contract is focused largely but not exclusively on support to "horizontal/flat-work" design engineering and construction support services for engineering.
