

Department of General Services / Construction

Uptown Cycle Track

The project includes implementation of a two-way separated cycle track in Uptown Charlotte along portion of 5th and 6th street. It will provide a connection between Little Sugar and Irwin Creek Greenways. The cycle track will be constructed mostly within the existing roadway, currently used as vehicular travel lanes and on-street parking. Traffic signals will be modified and an at-grade crossing of the Lynx Blue Line is required. Work includes the construction of cycle tracks and ramps, concrete medians, pavement markings, milling, resurfacing, traffic signals and signage.
