Charlotte Water / General Services

Wayfinding and Signage Service

Charlotte Water, a department of the City of Charlotte, is soliciting proposals for on-call signage services to maintain and expand an established signage system for the owner's existing and future physical locations. The Owner has established standards for interior and exterior labeling, wayfinding, emergency, and traffic flow signage needs in accordance with OSHA, ADA, fire code, and owner branding requirements. Design and materials standards are provided in a separate attachment. The selected vendor(s) will be expected to provide comprehensive, turnkey services for any owner signage request. This may include: site/install location assessment, consultation, research, design, procurement, fabrication, assembly, delivery, installation (including any site/install location prep, utility locates, permitting, etc), repair, and/or replacement, with quality control maintained throughout the process, including the oversight of any subcontractors.
